

Civil Air Patrol
U.S. Air Force Auxillary

SPECIAL EDITION

New Coronavirus Update Issued

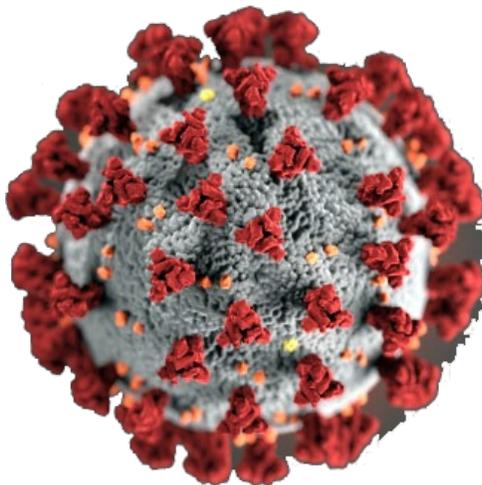

Continuing concerns over COVID-19, the novel coronavirus, have prompted [newly updated guidelines](#) from National Headquarters for Civil Air Patrol members.

So far, confirmed cases of the virus have been reported in seven states:

- Washington
- California
- Oregon
- New York
- Rhode Island
- Delaware
- Georgia

There are no known cases of CAP members with the coronavirus at this time.

Members are encouraged to wash hands frequently, don't touch their face, stay away from the ill, practice cough etiquette, sanitize community areas frequently and refrain from shaking hands.
