Body Transformation Programs

- The IsaBody Challenge® is a 16-week, life-changing transformational journey available to all Isagenix customers and members in the U.S., Puerto Rico, and Canada. Judging takes place three times per year. The U.S. Grand Prize Winner is announced at the annual New Year Kick Off event and awarded US\$25,000 plus prizes, and a Runner-Up is awarded US\$10,000 plus prizes. Fifteen IsaBody™ Finalists also receive US\$3,000 plus prizes, and 30 Honorable Mentions receive US\$1,000 plus prizes. For more information about the U.S. challenge, visit IsaBodyChallenge.com. **Prizes and challenge rules vary by market. Please see rules specific to each market for detailed information.*
- Since 2014, the IsaBody Challenge, which is open to customers over the age of 18, has had more than 400,000 entries in North America.
- Participants have self-reported an average of 11.25 pounds lost and 5 pounds of lean muscle weight gained during the 16-week IsaBody Challenge.
- The 100-Pound Club honors those who achieve the milestone of losing 100 pounds or more while using Isagenix products.* The club offers support to help members maintain and improve their physical transformation and mindset.
- The greatest weight loss for the 100-Pound Club is 421 pounds. Club members have reported nearly 29,000 pounds of weight loss as of February 2019.*

**Weight loss, muscle gain, lifestyle, and other results depicted here reflect exceptional individual experiences of Isagenix customers and should not be construed as typical or average. Results vary with individual effort, body composition, eating patterns, time, exercise, and other factors, such as genetic and physiological makeup. A two-phase [2016 study](#) published by researchers at Skidmore College showed an average weight loss of 24 pounds after 12 weeks. The study evaluated the use of Isagenix products in men and women for weight loss followed by weight maintenance. During the weight maintenance phase, the subjects who continued the calorie-controlled program using Isagenix products better maintained their weight loss in comparison to those who transitioned to a traditional diet after 52 weeks.*

Customer Demographics

- Isagenix has nearly 600,000 customers worldwide.
- Nearly 80 percent of customers are simply using the products and not actively building a business or sharing product.
- The U.S. and Canada customer profile is 86 percent female (47 percent have children in the home, 41 percent have no prior network marketing experience, 34 percent have earned a college education, 40 percent are at least 50 years old, and 73 percent are married/partnered.)

How can someone new to Isagenix buy products?

The best way to help customers achieve their transformational goals is to offer a supportive community and a one-on-one approach when ordering products through independent distributors (whom we call “associates”). Isagenix associates help customers design solutions that support a customer's specific wellness goals, while offering the best pricing and peer-to-peer support.
