

Your community
counts on you.
Count on us.

Sourcewell for Nonprofit Organizations

As a leader of a nonprofit serving in our five-county region of Cass, Crow Wing, Morrison, Todd, or Wadena county, you have access to programs and services through Sourcewell to support you as you fulfill your community mission.

Professional Development & Training

Find courses and training for you, your staff, and board of directors to help your organization succeed.

[Browse courses & events >](#)

Internship Reimbursement Program

Hire an intern and we'll reimburse you for their salary — up to \$12/hour for 640 hours.

[Start the reimbursement process >](#)

Funding

Get financial support for projects that make your community better. [Explore funding opportunities >](#)

Cooperative Purchasing

Save time and money on the high-quality goods and services you need to keep your organization running smoothly. [Search suppliers & contracts >](#)

Register today!

You must be a participating agency to access programs and services. It's free to register and there are no obligations to purchase. [Register today!](#)

Sourcewell is your local service cooperative, a self-funded government organization charged with offering programs to support student and community success in our region. Our ability to support and reinvest in our local communities is made possible through a [national cooperative purchasing program](#).
