

Group Health Insurance

For Minnesota public entities

Get choice and affordability

Shopping for group health insurance is hard. Employees want to save money, choose their preferred provider, and understand their plan. Administration wants to confidently budget for rates from year to year, offer an attractive plan to potential employees, and maintain compliance.

As a member, your organization can:

- **Budget confidently** with rate stability thanks to risk pooling and volume-based discounts.
- **Create a culture of wellness** with help from us. We work with you to design and implement a wellness program tailored to your organization.
- **Offer your employees attractive benefits** with built-in extras, like programs for fertility, chronic disease prevention, mental health, and more.
- **Proceed with confidence.** Like you, Sourcewell is a public entity. We conduct a [rigorous solicitation process](#) in establishing our partnerships.
- **Choose from multiple provider network options,** giving you the right balance of provider choice and affordability.
