

CERTIFICATE

of social/ecological impacts with IT hardware

AfB gemeinnützige GmbH would like to thank
Visteon Electronics Germany GmbH

AfB GmbH is Europe's largest non-profit IT company and specialist for extending the service life of used IT and mobile devices through professional data destruction, refurbishing and reselling. The recognized inclusion company employs around 500 people in five countries, approx. 45% of them are people with disabilities.

In the scope of our partnership, from the equipment submitted to AfB in the period between 01/01/2020 and 31/12/2020, the following effects were attained:

Paul Cvilak, founder and CEO

Ettlingen, 19/02/2021
